01. BROCHURE

Mission

To publish curriculum and educational materials that will improve the standard of education in the country.

To provide educators with instructional tools, guides and materials that will help deliver quality instruction, provide effective teaching strategies and make learning productive, meaningful and interesting for students.

To become a partner of public and private educational institutions in promoting the Department of Education's policies and goals for education.

Vision

Commits to become a leader in providing printed and electronic educational materials that can compete in national and global markets.

About VICARISH PUBLICATIONS AND TRADING, INC.

Vicarish Publications and Trading, Inc. founded in September 1994 and since then become one of the key players in the educational publishing industry. Vicarish commits to develop high quality printed K-12 educational materials that can compete in the national and international markets. The company's strength lies on the end users and stakeholders comprising the organization's common goal of helping the nation through quality and effective education. Vicarish is aligned with the Philippines Department of Education in the provision of a complete, quality, and world-class education. Its mission is to publish and print curriculum-based educational materials and provide educators with instructional tools, guides, and materials that will help deliver quality instruction, provide effective teaching strategies and make learning productive, meaningful and interesting for the learners. All educational products are duly registered copyrighted by the Nation Library.

Vicarish aspires to position its niche not only in the local market but as well in the international educational publishing industry. Actively working on research and extension initiatives in delivering the current demands of the educational markets.

Vicarish is an active member of the National Book Development Board (NBBB), participating in major international exhibitions and stakeholders' capacity building activities like the Frankfurt Buchmesse and likewise initiatives in the local venue. Currently, a bonafide member of the Philippine Educational Publisher's Association (PEPA).

Soaring to Greater Heights

Crafting Quality Books for the New Millennium

PRE-SCHOOL

BUILDING MINDS WITH NUMBERS
Based on the K-12 Curriculum, the workbook helps nursery students to master the basic number skills. In achieving this number concepts are presented through engaging activities manifested with creative visuals and real life situational problems.

SCIENCE AND HEALTH
The book is equipped with activities that will develop science skills, which will help students to understand and care for his/her body and the nature.

SOUNDS FOR BEGINNING READING
The series breaks down lessons to its simplest and most basic forms, from sounds of vowels and consonants to the creation of simple words.

LEARNING COMPUTER THE EASY WAY
The book is designed to explain the "what's" and the "how's" of the computer through easy and fun exercises, creative illustrations, and comprehensible use of words.

WORKJOBS WITH NUMBER
It is well crafted and sequenced from the most basic up to more compound concepts. Also incorporated are a bit challenging activities that will increase a child's desire to learn more.

FILIPINO SA MAKABAGONG PANAHON
Mula sa pagpapakilala sa sarili hanggang sa pagbigkas ng mga letra sa alfabeto, ang aktat na may naglayon na ihanganda bata para sa Unang Baytang sa elementarya.

DEVELOPING MY HANDWRITING
Designed to help young learners in acquiring the preparatory skills needed in writing, the activity book is provided with a systematic series of activities.

ELEMENTARY

UNDERSTANDING MATH 1-6
Aligning with the K to 12 Curriculum, the series gives emphasis on the twin goals – Critical Thinking and Problem Solving – and to achieve this, adapts the five learning areas in the curriculum to its framework.

SCIENCE 1-6
Guided with the new K to 12 Curriculum, the series contains every information and knowledge that a textbook provides, while incorporating variety of activities found in a typical textbook.

SMART PENMANSHIP
The series is designed to guide each student in learning the skill of writing in print and in cursive form. It is a meaningful and engaging way of writing properly, and practicing uniformity and neatness.

DUYAN 1-6
Layon ng serye na mahasa ang kakaibang ng bawat mag-aaral sa pagbasa, pagulat, pakikilah, at pagsalita, habang nagkikilinti ng mga mabubuting aral na makukuha sa mga babashining nakapaloob sa serye.

READ TO LEAD 1-6
Through various invigorating activities, latest approaches, and effective strategies, the series helps in developing the five (5) macro skills such as listening, reading, speaking, writing and viewing.

BUILDING CONFIDENCE THROUGH ENGLISH 1-6
Offering basic yet challenging lessons, the series help develop skills such as listening, speaking, writing and viewing. Moreover, through a variety of activities, learners' intellectual and emotional dexterities will be thoroughly enhanced.

EDUKASYON SA PAGPAPAKATAO 1-6
Pagmamahala sa katotohanan, kalayaan, at katunungan ang iyang maibahagi ng serye. Sa pagmamaitag ng mga araling hinango mula sa turya, respeto sa iba, pagdiploma, pagdilang maiunawaan ang mga kaisipan at konsepto nakapaloob sa serye.

CHRISTIAN LIVING 1-6
Each textbook is integrated with the Truths of Faith manifested in four units, teaching young students to know and love Jesus Christ.

ARALING PANLIPUNAN 1-6
Naglalayon ang seryenito na bai-baitang na ipakilala sa isang mag-aaral ng elementarya ang kanyang kapuwa, ang lipunang kinabibilangan, at ang mundong kinatatayan, at ipaalam ang mga kaisipan at tungkulin ng iyang mamamayan.

LET US READ AND WRITE 1-6
Crafted in a way that will make the process of writing fun and engaging, each book is transcribed with simple words, and integrated with some typical Filipino activities.

JUNIOR-SENIOR HIGH SCHOOL

UNDERSTANDING MATHEMATICS 7-10
Following the K to 12 Mathematics Curriculum, the series discusses topics based on Critical Thinking and Problem Solving, which are to be achieved through the adaptation of the five strands of mathematics.

EDUKASYON SA PAGPAPAKATAO 7-10
Layunin ng serye na mahasa ang isang mag-aaral sa pagging isang mamamayang may takot sa Diyos, may awa sa kapuwa, may duong sa tamang pagdedesyon, at may paninindigan.

SCIENCE 7-10
The series is complete with activities and chapter tests that will assess the student's understanding of the concepts. It also enables the students to work collaboratively with their peers, and apply what they have gained to their everyday lives.

CHRISTIAN LIVING 7-10
Incorporated with the Truths of Faiths, each textbook aims not only for students to know and love Jesus Christ, but to nurture them to become active young evangelizers.

THE WRITING WORKSHOP 7-10
Crafted to help student master the skill of writing, the series is uniquely divided: narratives (grade 7), descriptive essays (grade 8), expository essays (grade 9), and argumentative/persuasive essays (grade 10).

Filipino Literature

NOLI ME TANGERE, IBONG ADARNA, FLORANTE AT LAURA, ATEL FILIBUTERISMO
Tumatalakay ang apat na akda sa mga temang karaniwang nararanasan ng lipunan at, higit sa lahat, ng kabataang Pilipino.

ENGLISH 7-10
From Romans, countrymen, this series compiles literary works in every genre there is in the world of literature, and at the same time, teaching students the rules and concepts in the English subject in a fun, engaging, and literary way.

GENERAL MATHEMATICS
The reference material is intended for a one-semester course. It includes extensive discussion on the different kinds of functions, business mathematics, and math logic and proofs.

STATISTICS & PROBABILITY
It focuses on providing a clear and intuitive approach, yet maintaining an acceptable level of mathematical accuracy. It includes problems related to marketing, finance, and everyday life situations.

Warringa Park School

Situated in Wyndham, is a specialised school, catering to students aged 5 to 18 with diagnosed intellectual disabilities, drawing its population primarily from the City of Wyndham. Operating across four campuses, Warringa Park offers comprehensive education programs to meet the needs of our diverse learners. The Warringa Crescent campus caters for Foundation to year 6 students and our Polly Parade campus caters from Foundation to year 3 respectively. Our Bethany Road Campus caters to students in years 7 to 9, while the Cayleys Road Campus, situated in a rural setting in Werribee South offers diverse vocational education programs. These include the Victorian Pathways Certificate (VPC) and the Award Scheme Development and Accreditation Network (ASDAN) curriculum for students in years 7 to 12. Our secondary curriculum emphasises applied learning with a robust pedagogical approach.

At Warringa Park School, a commitment to excellence in education for students with additional learning needs is paramount. Staff hold a strong belief in the capacity of all students to learn and thrive. The school offers a personalised curriculum

emphasising improvement in English, Mathematics, Science, Personal & Social Capabilities, and Technology, aiming to equip students for successful post-school transitions. Specialised programs in Physical Education, STEAM, and various Arts subjects engage students in diverse learning environments. A one-to-one iPad program enhances student engagement and learning outcomes, with the school recognised as an Apple Distinguished School.

A stimulating, safe, and flexible learning environment is provided, with spacious, well-resourced facilities tailored to 21st-century learning needs. In 2022, one of our Secondary teachers received the Victoria's Educational Excellence award, for most Outstanding Teacher. In addition, in 2023, the school's Business Manager received the Outstanding Business Manager award in the Victorian Excellence Awards, while the school itself was a runner-up in the Outstanding Inclusive Education category.

Warringa Park School highly values the partnership between home and school, encouraging parental involvement to ensure students have access to comprehensive support in their learning journey.
